#### CANTONMENTS—REGULATIONS

**No. 106.**—In exercise of the powers conferred by sub-section 2 of Section 16 of the Cantonments Act, 1924 (II of 1924), the Central Government is pleased to fix 5th February 1950 as the date on which casual election shall be held in Barrackpore Cantonment to fill up an existing vacancy.

[No. 29/1/G/D.8(a)/49]

**No. 107.**—The following bye-laws for regulating the use of out-houses of bungalows in the Dalhousie Cantonment made by the Cantonment Board, Dalhousie in exercise of the powers conferred by sections 282 and 283 of the Cantonments Act, 1924 (II of 1924), are hereby published for general information, the same having been previously published, approved and confirmed by the Central Government, as required by sub-section (1) of section 284 of the said Act, namely:—

1. In these bye-laws, unless there is anything repugnant in the subject or context:—

“Out-houses” mean quarters built in the compound of a bungalow for use of servants of the occupant

of the main bungalow and include any other building situated in the compound of the bungalow except the main bungalow.

2. Subject to the provisions contained in these bye-laws no out-houses in the compound of a bungalow shall be occupied by any person other than the *bona-fide* servants of the occupier of the bungalow and their families.

3. No person other than a mali, sweeper, chowkidar and their families shall occupy out-houses of an unoccupied bungalow. The owner of every such bungalow shall send the names of such persons to the Cantonment Executive Officer.

4. If a bungalow is divided into tenements, the out-houses shall be proportionately occupied by authorised domestic servants only. Their names shall be sent to the Cantonment Executive Officer by the tenant if the Cantonment Executive Officer so require.

5. A contravention of any of these bye-laws shall, on conviction by a magistrate, be punishable with fine which may extend to one hundred rupees (100/-) and in the case of a continuing contravention, with an additional fine which may extend to twenty rupees (Rs. 20/-) for every day during which such contravention continues after conviction for the first such contravention.

[No. 12/43/G/D8(a)/49]

**No. 108.**—The following bye-laws for regulating the erection and re-erection of buildings in the Mathura Cantonment, made by the Cantonment Board, Mathura, in exercise of the powers conferred by section 186 of the Cantonments Act, 1924 (II of 1924), and in supersession of the bye-laws published with the Notification of the Government of the United Provinces in the Municipal Department, No. 1148/XI-26/C-29, dated the 9th April 1931, are hereby published for general information, the same having been previously published, approved and confirmed by the Central Government, as required by sub-section (1) of section 284 of the said Act, namely:—

1. Every person intending to erect or re-erect a building shall apply for sanction by giving notice, in writing, to the Executive Officer, under section 179 of the Cantonments Act, 1924, in the Form appended to these bye-laws, and shall at the same time submit, in duplicate, duly signed by him or his agent, the following:—

- (a) A site plan of the land on which it is intended to erect or re-erect the building;
- (b) a plan of the building which it is proposed to erect or re-erect together with a plan of the existing buildings, if any, showing platforms, balconies and other projections; and
- (c) the specifications:

Provided that if the site on which it is proposed to erect or re-erect a building lies outside the bazar area, declared by notification under section 43A of the Cantonments Act, 1924 to be a bazar area, the plan shall be submitted in triplicate, one copy of which will be drawn on tracing cloth.

*Note.*—Copies of the Form may be obtained from the Cantonment Office on payment of annas four each.

2. The site plan shall be drawn to a scale of not less than 82½ feet to an inch. The scale used shall be marked on the plan which shall clearly show:—

- (a) the directions of the North point;
- (b) the boundaries and dimensions of the site on which it is proposed to erect or re-erect the building;
- (c) the position of the site in relation to the adjacent street;
- (d) the position of the proposed building in relation to—
  - (i) the boundaries of the site; and
  - (ii) all adjacent streets;
- (e) a sketch of the buildings and premises together with all electric wires and poles within twenty feet of the boundaries of the site;
- (f) the names, if any, and width of all streets on which the site abuts, together with the numbers, if any, of adjoining houses or premises;

- (g) the means of access to the buildings and various floors;
- (h) the line of frontage of adjoining buildings and boundaries of adjacent buildings;
- (i) the alignment of drains showing the manner in which the roof and house drainage and surface drainage of the line will be disposed of;
- (j) the position of and full details regarding all wells, drains, gutters and down spouts, latrines and other sanitary conveniences;
- (k) in the case of a well the internal diameter and distance from the nearest privy.

3. The building plan shall also be drawn to a scale of not less than one-eighth of an inch to the foot. It shall include a ground plan, an elevation and a section, and shall show, *inter alia*, the following:—

- (a) the ground floor, the first or upper floor and each additional floor;
- (b) the position of all proposed drains, bathrooms, cook houses, latrines, urinals and cess-pools;
- (c) the position and dimensions of all projections beyond the main walls of the buildings;
- (d) the level, width and depth of the foundations and the level of the lowest floor with reference to the level of the centre of the street on which the front of the proposed building is to abut;
- (e) the walls which are common to adjoining buildings;
- (f) the size of windows and doors and ventilation-openings for each room of every storey;
- (g) the open space inside and surrounding the building;
- (h) the materials to be used for external walls, party walls, foundations, roofs, ceilings floors, stair-cases, fire places, chimneys and bath-rooms; and
- (i) the purpose for which it is intended to use the building,

4. The minimum floor-area of every room intended for human habitation shall not be less than 100 square feet.

5. No building shall be erected if it projects beyond the general alignment fixed for the street and no balconies projecting on to streets shall be constructed more than 3 feet wide.

6. Where new buildings are to be erected, a space not less than 10 feet wide shall be left around such buildings, provided that, in cases where this is not possible, every application shall be considered on its merits. This clause shall not be applicable in respect of buildings in the Notified bazar area.

7. No latrine shall be constructed within 20 feet of a kitchen:

Provided that, in cases where this is not possible, every application shall be considered on its merits.

8. (a) Where it is proposed to erect buildings consisting of more than one storey, the height of the eaves of each storey shall not be less than.....Ground floor—9 feet. First and subsequent floors—8 feet.

(b) No lofts constructed in houses shall be used for living purposes unless they comply with the minimum height requirements for first and subsequent floors.

9. The foundation of the building shall not be less than 1/7th of the total height of the buildings from the ground level.

10. House drains, through which waste or sullage water is intended to pass shall be constructed of masonry or other impervious material and shall be connected to the nearest roadside-drain wherever such a drain exists within 100 feet of the premises, according to the directions of the Executive Officer. In the absence of such roadside-drains nearby the house-drains shall be discharged into a soak-pit or cess-pool, which shall be constructed and maintained by the house owner.

11. No house steps shall be constructed so as to project on to a street or beyond a public drain running in front or at the back of the house.

12. Every building of more than one floor shall have ample width of stairs, not less than 2 feet 6 inches, to ensure safety in case of fire.

13. All doors, windows and clerestory-windows, provided for living-rooms in houses shall not be less than the following minimum sizes and shall be so constructed as to open only inwards:—
